What Students Says

Trio Tech Software Trainings
Train Towards success

The best coaching institute, specially would like to mention Mr. Kumar one of the best faculty ever seen. He monitor, guide and make every one learn. I personally seen many success stories of his students.

SHANMUKHSAI G

I am glad to learn oracle financials in triotech software trainings before coming to this institute i joined other institutes but i didn't get a job because of lack of proper guidance there..thank you so much triotech

SOUMYA ENTURI

After a lot of research i choose to join triotech for fusion scm training.i found it's value for money and all the trainers are having decade experience and covers real time scenarios faced in their implementations...

MOUNISHA ENTURI

Trio Tech technologies is one of the best institute's in Hyderabad with very good teaching staff (Kumar sir) for (Oracle fusion HCM)they teach with many examples and detailed explanation on every topic's.

PRAVEEN P

One of the BEST institute in Hyderabad for Oracle. This institute has a well experienced faculty when compared to others in Hyderabad. After lots of research I have joined in this institute ....

DAMODHARAN REDDY

I am from pune and my friend joined for Oracle technical training at triotech. Excellent communication and technical support for trainees. Thank you so much triotech for giving us the real time experience.
